THE MARTLET

From the Headmaster...

It is customary for my opening remarks in the yearbook to be enthusiastically general and little more than an invitation to look back and enjoy the memory of a busy year well spent as evidenced in the many pictures and articles contained in the book. Contrary to tradition, I would like to take this opportunity to draw your attention to the fact that the quality of the life of our school is attributable to the dedication and service of the many staff members who give of their time and enthusiasm quite selflessly. I would ask that you reflect upon the service of three members of the staff in particular. The year recorded in this copy of *The Martlet* is the last year of Mrs. Kay Latter's service with Saltus. Kay left us after twenty-seven years of teaching in our Junior School. The year also marked the twenty-fifth year of service for Mr. Jon Beard and Mr. Malcolm Durrant. I would like to thank each of them for their many years of personal and professional dedication to Saltus.

We shall miss Kay's work in the classroom, behind the scenes in each of the many productions staged in the Junior department and, in particular, her ferocious dedication to Learning through Landscapes and all matters of environmental awareness. We wish her every good fortune and trust that she will maintain her links with and her interest in Saltus in her retirement.

To have seen the school change and grow through the years affords one the opportunity to appreciate how far we have come and what significant progress we have made. The life and enthusiasm recorded in the pictures and articles in this copy of *The Martlet* is characteristic of the very best of our school.

I appreciate the many hours of dedication and hard work that have gone towards the compilation of this book and I would like to thank Mrs.Mathias, Mrs. Morrison-Murdoch, Mrs. Kawaley and Mr. LePage for their work in this.

As is customary, therefore, I commend this most recent copy of *The Martlet* to you all.

U P D A T E

by the Deputy Headmaster

Saltus is committed to providing an education of the highest quality for all students and to fostering and encouraging what is best in the individual. We welcome applicants regardless of sex, race, religious preference or national origin. However, in order to maintain diversity of our student body and to continue to make Saltus accessible to young people of all socioeconomic backgrounds, it is essential that a strong bursary programme be maintained through annual giving, income from certain endowed funds, and other gifts from friends of the school. These bursaries fall into two categories: scholarships, based primarily upon merit although, in specific instances, reflecting need as well, and financial aid, based upon genuine need as indicated on the school's application statement, but awarded entirely at the discretion of the Trustees. From the resources of Saltus alone, nearly $300,000 is given each year in scholarships and financial aid. When the generosity of external donors is added, the figure is closer to $400,000.

Perhaps the majority of the school's constituents are unaware of such statistics, and they certainly impact a relative few. However, it is entirely appropriate in this yearbook which, by its very nature, reflects upon the many and varied achievements of our student body, that space is given not only to recognize those who held scholarships during the past year but also to thank those who continue to support our bursary programme.

Saltus Remembers...

John G. Gilhooly

1970-2001

John was a well liked and respected ICT teacher who was instrumental in setting up the Saltus web site, Administrative databases, the school network and introducing the school to cross-curricular computer use through the laptop programme. He had a ready wit and easy-going nature which made him a favorite amongst staff and student alike.

John died on Saturday 8 December from Toxic Shock Syndrome caused by food poisoning. He was 31 years old.

On Ewan Sampson Day, a tree was planted in John Gilhooly's memory. Students, staff and many alumni gathered for the ceremony.

JUNIOR SCHOOL MUSIC

It is said that, "music speaks what cannot be expressed. It soothes the mind and gives it rest"(Just ask Ozzy Osbourne). Music affects many students in the Junior school in many different ways. The programme continues to grow with six ensembles now being offered including: wind band, orchestra, choir and recorder groups.

The various ensembles have performed throughout the year. During a warm Christmas season they sweated at the Botanical Gardens and Winsor Place where they delighted the audience with songs about snow and sleigh bells. The choir and wind band participated in the Carols for All Christmas Concert.

The Spring term proved to be very busy with rehearsals for a highly successful production of Stephen Sondheim's show "Into The Woods". Marvellous musicians was a concert which featured musicians from all three departments. In June the J6's paid tribute to the great composer Johann Sebastian Bach with a presentation of 'Bach to the Future'

The final Junior School concert featured wind band, J6 and J7 choir, J4 and J5 recorders as well as many J7 soloists. The J7's had their final assembly on June 26th and performed a special version of the song "superman." The wind band was kept busy until the end of the year with a performance on Ewan Sampson Day as well as at the School Prize Day on the last day of term.

As usual it has been a busy year for the music department but definately well worth the effort. With the continued support of a wonderful staff, parents and students alove for music will continue to flourish at Saltus Junior School.

I would like to take this opportunity to thank those people who have helped me compile the Junior School section of the Yearbook. The photographers who have managed to capture the students in their natural habitat and the staff who are always so willing to provide me with the material I need in such a prompt and efficient manner.
Peter Le Page (Yearbook Coordinator)

There are three members of the Junior Staff leaving this year:

Christine Chiappa has left Saltus Junior School this year. She had joined the school in September 1997 after teaching at BHS and MSA. Whilst at Saltus she taught the J7s and was the Coordinator of the J7 Laptop Programme. Her interests lay in Drama and performance and her talent for Play writing was renowned in the school. Her enthusiasm and energy was always evident and we sometimes had difficulty keeping up with her. She was popular with her students and I know they join with me to wish Mrs Chiappa every success for the future.

Although Claire Payne has only been with the Junior School for one year, she has fitted in so well. Claire has been instrumental in developing and steering the new expanded J7 Science curriculum. The J7 students have had Physics, Chemistry and Biology lesson with Claire in the Science Lab. Claire will be returning to her native England with her husband Darren, a Senior School Science teacher and their young daughter Olivia. We wish her and her family well.

KAY LATTER

Kay Latter retired after over thirty years teaching at Saltus. Most of those years were at the Junior School and in the J4 class. To say she will be missed is an understatement. Kay has been instrumental in the accomplishment of many projects. Her dedication to the Junior School has been evident in the many fund-raising activities she has initiated. The first readathon raised over $4000 for Rwanda whilst the most recent brought in over $23,000 for the renovations of the Junior School Assembly Hall. Kay has also raised the funds for all the play equipment on the field and even supervised the erection of it one very hot weekend with volunteer parents. Her interest in the environment led to her being a founder member of Keep Bermuda Beautiful and resulted in her being presented many awards for untiring work for KBB and the National Trust.
Summer School will just not be the same without Kay and the students will miss "the Glitter Queen" doing all her wonderful Art and Craft projects. Her emphasis on .

reading is legendary and the students in her class will always be grateful for all her for her encouragement a teaching. Mr. Wendall Hollis, Chairman of the Board Trustees attended a special assembly and presented M Latter with a gift from the trustees. He thanked Mrs Latter for her many years at Saltus and proclaimed he Saltus Hero. Mrs Latter has many projects planned fo her "retirement " involving the National Trust and growing her many plants. However travelling around world with her husband is high on her agenda. We wi her many happy years of retirement.

PLAY TIME HAS BEGUN

LOOK OUT FOR THE BEARS!

Seniors...

The Following pages are filled with images and notes about the Senior Department
Senior 1 - SGY

The yearbook, as much as being a record of the year, is a window on the past—as I write this, the very recent past, though if you, gentle reader are looking at these yellowing pages in curiosity in the year 2102, then it is a past perhaps no longer in living memory. But even the readers of the distant future cannot fail to be drawn into the energy, the exuberance and the sheer fun of Saltus Senior School through the year 2001-2. And behind the notable events pictured here—the amazingly successful Rag Week, the sports (with our often victorious teams) and swimming, the drama and music, debating and reading, Young Enterprise and Community Service—each full week there were over a thousand lessons, in which those magic moments of understanding, of skill-polishing and of inspiration took place. A lively school is an amazing place.

The laptop programme features significantly in previous yearbooks. It remains a highly distinctive feature of the Saltus experience, and in September 2002 it will embrace all yeargroups of the Senior School. Our network technology has been vastly improved this year and we will now be looking to extend the use of laptops in our teaching and learning in new and exciting directions.

We wish every success to those students who are leaving us this year, whether from the Graduate Year or from lower down the school, they have (with few exceptions) been a pleasure to teach and to help on to the next stage in their lives. We will also miss the seven members of staff who are moving on: Valerie Butterfield-Wallbank, Katrina Dobson, Andrew Edwards, Amanda Finch, Claire Murphy, Darren Payne, and Rebecca Woodley; though we are glad that Mrs Dobson is moving only so far as the Junior School, and Miss Butterfield-Wallbank not much further. To all of those who are leaving, we wish all success and happiness for the future.

The future? For our reader in 2102 that future is already past. But the great things which our students went on to do after they left Saltus have their roots in the good things they did and the community spirit they experienced while they were here. And you can catch a glimpse of that now—in the pages of this book.

RAG WEEK 2002

Rag Week offers students and staff the opportunity to have a bit of fun while raising money for chosen charit A series of recess and lunchtime activities raised mon this year for Jefferson Perez Perez (the child the stud body sponsors in Ecuador through the Children Intern tional charity), Habitat for Humanity (an international charity that seeks to eliminate poverty housing and homelessness throughout the world) and SPCA (the l charity which seeks to prevent cruelty to animals in Bermuda and promote kindness through education). year a phenomenal $4063 was raised! This is a new record in the short history of Saltus Rag Week. Parti congratulations for this success go to Ms. Carey who brought some excellent new ideas to the week which raised considerable sums - the Sponsored Read raise $1310.55 (particular thanks to Kelly Savery of 3B wh raised $454.05), the 'Line of Coins' which raised $24 and the inter-form competition which raised $979.77. won the inter-form competition and chose a grub day their prize. Mr. Kermode proved himself to be a real when he 'won' the Flan a Teacher competition!

The members of the School Council
who work tirelessly to organize Rag Week,
as well as many other events throughout the year,
are to be congratulated for their efforts.
Therefore, it must be noted that Miss Hucker has
gone well beyond the call while motivating
the representatives to work this hard.
Thank you for another successful year.

SENIOR SCHOOL MUSIC NOTES 2001/02

Many students take advantage of the musical opportunities offered early mornings and lunchtimes. There are Aural Classes, Wind Band, Orchestra, Jazz Band and Choir rehearsals as well as sectional rehearsals. These have resulted in students learning a wide variety of pieces to play for several functions. Our students have participated in the following activities:

-November Prizegiving Ceremony - Anglican Cathedral
-December Carols for All - St. John's Church
Singers and Instrumentalists -Windsor Place
Carolling at ECU, King Edward VII Hospital
-March Pippin, the school show
-April Spring Concert - Senior Hall
Interhouse Music Competition won by Watlington
-May 4 students attended the Lions Club Band Conference in NY
Three Department Musical Extravaganza - St. John's Church
-June ABRSM Practical Examinations

Swifts Win B Team Cup

"Swifts won their second ever piece of silverware at the weekend, in their ninth season, when they upset the odds and won the B League Cup."

Swifts vs. Bluebirds: By using a new formation, no sweeper and four forwards, Swifts dominated long periods of the game. Swifts' winning goal came in the 25th minute when Lucy Hollis got to the end line inside the circle and passed the ball back to the penalty spot where Kristan Law swept the ball into the net. The second half was scoreless, although Swifts dominated play.

Swifts vs. the undefeated league champions- Swallows: A fast and furious game of attacking ensued. Christina Barnard made two excellent saves in the first half. In the second half, the Swallows were challenged by the nearly flawless defense of Anna Terceira, Clemmie Stubbs and Tracy Houghton. The game ended in a penalty stroke series where Christina Barnard saved 4 attempts and Amy Smith and Tracy Houghton converted to give Swifts a 2-0 winning margin and a place in the final.

Swifts vs. Canaries: The final game was completely dominated by the Swifts, who only allowed the Canaries to penetrate the circle once during the first half. Six minutes into the second half, Lucy Hollis beat the Canaries' keeper. Then, with Mandy Oliver controlling midfield, Kristan Law scored from close range 5 minutes later. The end score was 3-0, after Lucy Hollis picked up the ball midfield and beat 2 defenders and powerfully shot into the net from the top of the circle.

'B' Team Cup held by Jennifer Beech. Standing to Jen's left is the Team Captain- Clemmie Stubbs.

SWIFTS HOCKEY

Coach- D. Hermann-Smith

The Saltus girls hockey teams completed their ninth season in the Bermuda Hockey Federation Leagues. This year the A Team, captained by Jennah Robinson, played 16 matches. The B Team, captained by Clemmie Stubbs, played 24 matches.

The highlight of the season was the winning of B-League Cup competition. Most of the players on the B Team had just returned from a 6-day training tour to Vancouver – obviously they learned well.
